My cell is [REDACTED]. I'll let the ADA in Chicopee know that I'm on-call for your case tomorrow (Tuesday, 3/27).

Also, I just noticed that you didn't mention what lab number(s) are for the case. Do you know what they are? They would help me tremendously to locate and review the data for this case. With the docket numbers being from 2006 and 2007, they should be a 6 digit number listed on the certificate of analysis and on the sticker affixed to the actual submission. Thank you.

Tuesday is 3/27/12, not 3/23/12. So do you mean 3/27? I do have a dentist appointment tomorrow (3/27) at 10:15, and I may have a Chicopee district case in the afternoon, but if Superior needs me then that's my priority. I'm guessing that I'll be done at the dentist by 11:30 (they never seem to be on-time there), so I could be to Springfield by 12:15 or 12:30. Not sure if the case is actually starting tomorrow or when you'd need me (even Wed.?), kjust let me know and I'll see what I can do.
